Subject: Amendment to delete all foliar uses for Captan Technical
Submission Date: 11/26/2013 with final resubmission made 3/24/2014
Product Name: Captan Technical
EPA Registration No.: 400-583
EPA Decision No.: 485488

Dear Mr. Blem,

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable under FIFRA 3(c)(5).

The agency acknowledges the following changes:

- Changes to the Directions for use section (including the deletion of all foliar uses)
- Minor editing to correct errors in the 'Storage and Disposal' and 'Precautionary Statements' sections

This use deletion was published in the Federal Register on April 2, 2014 and is effective May 2, 2014.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions, please contact Lindsay Roe by phone at (703) 347-0506 or via email at roe.lindsay@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Tony Kish".

Tony Kish

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. CORROSIVE. Causes irreversible eye damage. May be fatal if inhaled. Harmful if absorbed though the skin. Avoid contact with skin. Do not breathe dust. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wear goggles or face shield when handling. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

This chemical is **toxic to fish**. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollution Discharge Elimination Permit (NPDES) and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the U.S. EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR FORMULATING USE ONLY

Formulators using this product are responsible for obtaining EPA registration(s) of their formulated product(s).

- 1. Only for formulation into a fungicide for seed treatment for the following use sites:

Alfalfa	Cucumbers	Pumpkins
Beans	Eggplant	Radish
Beets	Flax	Rapeseed
Broccoli	Grasses	Rutabaga
Brussels Sprouts	Honeydew melons	Safflower
Cabbage	Kale	Sesame
Canola	Lentils	Sorghum
Cantaloupes	Lespedeza	Soybeans
Carrots	Milo	Spinach
Cauliflower	Muskmelons	Squash
Cereal Grains (wheat, barley, rye, oats, triticale)	Mustard Greens	Sugar Beets
Clover	Okra	Sunflowers
Collards	Onions	Swiss Chard
Corn (field, sweet, popcorn)	Peanuts	Tomato
Cotton	Peas	Trefoil
Cowpea	Peppers	Turnip
	Potatoes (Seed Piece)	Watermelons

- 2. This product may also be used to formulate products for additional uses(s) not listed on this Manufacturing-Use Product if the formulator, user group or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency; or Hazardous Waste representative at the nearest EPA Regional Office for guidance.

In case of minor spills, follow all precautions indicated above and clean up immediately. Sweep up and dispose of wastes and broken or empty containers in a landfill approved for pesticide use.

CONTAINER DISPOSAL:

Bag: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Completely empty bag into formulation or application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Unlined Drum: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Completely empty drum into formulation or application equipment. Then dispose of empty drum in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Lined Drum: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into formulation or application equipment. Then dispose of liner in a sanitary landfill, by incineration, or, if allowed by State and local authorities, by burning. If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner.

IMPORTANT NOTICE: READ BEFORE USE

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions and instructions specified on the label under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product, contrary to label instructions, or under conditions not reasonably foreseeable to seller, and, to the extent consistent with applicable law, the buyer assumes the risk of any such use.
